

UNIFORM POLICY

PURPOSE

The purpose of the Student Dress Code is to outline Tate Street Primary Schools requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Tate Street Primary's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- Promote equality amongst all students
- To further develop a sense of pride in and identification with our school
- To provide durable clothing that is cost effective for families and practical for our school environment
- To maintain and enhance the positive image of the school in the community

The School Council has developed a dress code that we believe provides a range of choices for students and is cost effective for families.

IMPLEMENTATION

Tate Street Primary will ensure that this Student Dress Code is communicated to all families and students through our website, newsletter and Compass. We will assist students who may be experiencing difficulties complying with this policy where possible.

When students arrive at school out of uniform they will be issued with uniforms from the 2nd hand shop where available.

EXEMPTIONS TO STUDENT DRESS CODE

We recognise that there may be situations where the application of this dress code may affect students unequally.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular economic hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
