## Help for non-English speakers

If you need help to understand the information in this policy please contact Tony Mirabella (5221 2780)

## PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

## SCOPE

This policy applies to all teaching and non-teaching staff at Tate St Primary School, including education support staff, casual relief teachers and visiting teachers.

## POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### Before and after school

Tate St Primary School's grounds are supervised by school staff from 8.45am – 9am each morning and 3.15pm until 3.30pm each afternoon. Outside of these hours, school staff will not be available to supervise students.

The Tate St gate entrance, Quad, Junior Playground's and Oval of the school grounds will be supervised by 2 staff members before and after school.

Parents and carers will be advised through Compass that they should not allow their children to attend Tate St Primary School outside of these hours. Families will be encouraged to contact our Theircare Customer Support Team on 1300 072 410 or via email on [info@theircare.com.au](mailto:info@theircare.com.au) for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carers to:

- advise of the supervision arrangements before school

- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

### Yard duty

All staff at Tate St Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Tate St Primary School, school staff will be designated a specific yard duty area or student to supervise.

### **Yard duty zones**

The designated yard duty areas for our school (as at Term 1, 2024) are Zone 1 and Zone 2. The school grounds are divided as per the image below to ensure all areas of the school can be supervised.

Zone	Area
Zone 1	Oval, Netball Court, Senior Basketball Court, 5/6 Playground, Nature Play
Zone 2	Quadrangle, Junior Playgrounds, Gaga Pits, Junior Oval, Toilet Breezeway

Student Specific 1	As per Yard Duty Roster
Student Specific 2	As per Yard Duty Roster

### **Yard duty equipment**

School staff must:

- wear a provided **blue hi-vis vest** whilst on yard duty. Hi-vis vests will be stored in the staffroom next to the exit on hooks
- carry the yard duty first aid bag at all times during supervision. The yard duty first aid bags will be stored next to the safety vests
- be carrying a Walkie talky for communication with admin or first aide due to size of school grounds

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

### **Yard duty responsibilities**

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the designated zone ensuring active supervision of all students
- remain in a position where clear sight of vision is possible to the Senior Basketball Court when on Zone 1 (between the 5/6 Playground and Netball Court allows for this)
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- ensure students remain in their designated year level zones - Playgrounds
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement & Wellbeing policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate on Compass

If being relieved of their yard duty shift by another staff member, the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Learning Specialist with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Learning Specialist, but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office/call Learning Specialist, and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

### Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the front office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

### School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education and Training [Excursions Policy](#).

### Digital devices and virtual classroom

Tate St primary School follows the Department's [Cybersafety and Responsible Use of Technologies Policy](#) with respect to supervision of students using digital devices.

### Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with a disability or other additional needs that are outlined in a behaviour support plan/safety plan. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities. 'Student Specific' yard duties are dedicated to students who require additional support during recess and lunch time.

### Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.
