## POLICY

### 1. School profile

Tate Street Primary School is in the suburb of Thomson, Geelong, which sits between East Geelong, South Geelong and Newcomb. We are located 5-6 mins out of the Geelong CBD. In 2023 TSPS had an enrolment of 179 students with our current school buildings capacity at 200 students. Of the 177 students, 108 were counted on the NCCD as receiving adjustments. 5 students were assessed as eligible for EAL funding (English as an Additional Language) and 7 Aboriginal and Torres Strait Islander students

attended the school. The decrease in students from the previous year was very minimal from 179 to 177. Our SFOE Index decreasing from .4281 to .4272. We currently have 4 students in out of home care.

At Tate St. Primary School we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from our school philosophy, mission and values. Tate St. Primary School is dedicated to the development of each student's intellectual, social and emotional growth. Our primary focus is not to standardise education, but to personalise it, to build achievement on discovering the talents of each child, to put students in an environment where they want to learn and where they can naturally discover their true passions. This means engaging families and the wider community as learning partners in the provision of a diverse, evolving curriculum that inspires passion, supports personal growth and equips students with essential life skills. We empower students to become confident and adaptable life-long learners who are ready to build positive, purposeful futures.

In 2024 Tate Street Primary School has 9 generalist classrooms made up of 7 full-time and 4 part-time Classroom Teachers. We have 1 full time staff member in the role of Inclusion Leader, which is divided into Disability Inclusion, Mental Health & Wellbeing and Attendance. We have 5 part-time Specialist Teachers who deliver Science, Art, Music, PE and Auslan. We have 1 full time Assistant Principal, new to the school in 2024 who currently coaches leaders in Numeracy Improvement and Data Literacy. TSPS has 1 Learning Specialist who works 4 days per week in the classroom and 1 dedicated day to her LS role, with a focus on curriculum improvement. Our tier 3 funded students are supported by 10 part-time Education Support Staff with all but one classroom with ES. We have 2 Literacy Intervention teachers, who are funded via the TLI initiative. We also utilise Tier 2 funding to employ an Education Support staff member who facilitates an Oral Language Intervention Program with small groups for students in Prep and Year 1. We have one Business Manager part-time (0.8) and one Administration part-time staff member (0.4). We offer a high-quality Out of School Hours Care Program via Thiercare, running from 7.00-9.00am and 3.15-6.15pm that requires 3 staff to support its facilitation. We currently have no Aboriginal or Torres Strait Islander staff at TSPS.

## VISION

At Tate St. Primary School we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school.

## VALUES

Tate St Primary School's values are *Respect, Responsibility and Resilience*. The values were officially introduced in Term 1, 2023.

Tate St Primary School aligns our Positive Behaviour Matrix with the School Values Points system. The Positive Behaviour Matrix focuses on three core values of Respect, Responsibility and Resilience. Under each of these values are 'we will' action statements that we expect to see children displaying during all aspects of their schooling. Each fortnight, a value is focused on across the school.

This links with our Values Points system, where students are provided specific positive praise language and consequently earn a 'Value Point' when demonstrating Respect, Responsibility or Resilience. The student from each classroom who has been given the most values point in the previous fortnight receives a 'values award' presented at each assembly.

Classroom teachers use this matrix when designing social and emotional lessons with lessons focused and delivered at the point of need of each class. Each statement is explicitly taught in classrooms to ensure students know and understand our values in depth and the behaviours that are expected of them while at school.

The values point system automatically populates and tracks all values points awarded to students:

## 2. Wellbeing and engagement strategies

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Bullying will be managed in accordance with our Bullying Prevention Policy.

When a student acts in breach of the behaviour standards of our school community, Tate St Primary School will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the negative consequences taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering negative consequences such as lunchtime reflection, withdrawal of privileges or withdrawal from class.

Corrective and negative consequences will be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Negative consequences at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.
